

Conformance Checking Results

84.66% Success

Total Violations: 25

IGNORED MANDATORY ACTIVITY - 8.00% (2 errors)

Constraint Violated: Existence1[Review da entrega] | |

In trace number 0, this rule was violated because an expected activity was not found in the log.

Constraint Violated: Response[Planejamento de entrega, Review da entrega] | | |

In trace number 0, this rule was violated on instance number 11.

IGNORED MANDATORY DATA ACCESS - 8.00% (2 errors)

Data access: u on Gestao in the activity Atualizacao de requisitos funcionais

In trace number 0, this data access was performed on instance 1.

Data access: u on Requisito in the activity Atualizacao de requisitos funcionais

In trace number 0, this data access was performed on instance 1.

ILLEGAL ACTIVITY - 4.00% (1 errors)

Activity: Publicar solucao

In trace number 0, this activity was done by the resource re3 on instance 12.

ILLEGAL DATA ACCESS - 40.00% (10 errors)

Data access: r on Gestao in the activity Publicar solucao

In trace number 0, this data access was performed on instance 12.

Data access: r on Gestao in the activity Publicar solucao

In trace number 0, this data access was performed on instance 12.

Data access: d on Gestao in the activity Publicar solucao

In trace number 0, this data access was performed on instance 12.

Data access: r onCodigo in the activity Executar teste

In trace number 0, this data access was performed on instance 20.

Data access: r on Requisito in the activity Executar teste

In trace number 0, this data access was performed on instance 20.

Data access: r on Teste in the activity Executar teste

In trace number 0, this data access was performed on instance 20.

Data access: u on Teste in the activity Executar teste

In trace number 0, this data access was performed on instance 20.

Data access: r on PF in the activity Atualizacao de requisitos funcionais

In trace number 0, this data access was performed on instance 1.

Data access: u on Gestao in the activity Publicar solucao

In trace number 0, this data access was performed on instance 12.

Data access: u on Gestao in the activity Executar teste

In trace number 0, this data access was performed on instance 20.

PROHIBITED ACTIVITY - 4.00% (1 errors)

Constraint Violated: Precedence[Documentacao de requisitos funcionais, Elaborar caso de teste] | | |

In trace number 0, this rule was violated on instance number 16.

PROHIBITED DATA ACCESS - 4.00% (1 errors)

Data access: r on PF in the activity Atualizacao de requisitos funcionais

In trace number 0, this data access was performed on instance 1.

UNEXPECTED ACTIVITY - 4.00% (1 errors)

Activity: TESTE ERRO

In trace number 0, this activity was done by the resource re7 on instance 2.

UNEXPECTED DATA ACCESS - 28.00% (7 errors)

Data access: d on Gestao in the activity TESTE ERRO

In trace number 0, this data access was performed on instance 2.

Data access: u on Requisito in the activity TESTE ERRO

In trace number 0, this data access was performed on instance 2.

Data access: r on Requisito in the activity TESTE ERRO

In trace number 0, this data access was performed on instance 2.

Data access: c on Requisito in the activity TESTE ERRO

In trace number 0, this data access was performed on instance 2.

Data access: r onCodigo in the activity TESTE ERRO

In trace number 0, this data access was performed on instance 2.

Data access: d on Requisito in the activity TESTE ERRO

In trace number 0, this data access was performed on instance 2.

Data access: u on Gestao in the activity TESTE ERRO

In trace number 0, this data access was performed on instance 2.
